ENGAGE WITH US

Join us at the Tyco Conference 2019, Northern Ireland, to ENGAGE with the CEM Systems/Tyco team, as well as industry peers and guest speakers. The conference is a great opportunity for you to learn more about the trends and challenges facing the security industry this year.

Get a first glimpse of upcoming CEM Systems releases and next generation products and participate in live product demonstration sessions of the AC2000 Software and hardware, as well as Tyco's latest video solutions and industry leading biometrics, wireless locks and smart building solutions. The conference will also give you the opportunity to hear case studies of innovative, iconic projects from CEM customers, dealers and consultants around the world.

Location

The Tyco Conference 2019 will be held at the award winning Galgorm Resort; Northern Ireland's premier luxury golf hotel and spa. Set within 163 acres of lush parkland with the spectacular River Maine flowing through the estate, Galgorm Resort has a truly unique setting. Galgorm is only 30 minutes from Belfast City and is close to both Belfast airports, making it the perfect base from which to explore Northern Ireland's most renowned attractions.
